2. Kinematics (displacement, velocity, acceleration)
3. Dynamics (forces, Newton's Laws, momentum)
4. Mechanics (work, energy, power, efficiency)
5. Electricity (Electric Circuits)

Optional topics may include

6. Nuclear Physics (decay, radiation, half-life), Waves, Special Relativity (Einstein's theories)

EVALUATION Marks are posted on JupiterEd. Please see letter on reverse

Your course mark will be based upon assignments, labs and tests. Marks are cumulative throughout the semester with a final exam at the end of the semester worth 20%.

Assignments	15%
Labs	15%
Quizzes	10 %
Tests	<u>60 %</u>
	100%

Rewrite Policy: There are no rewrites on quizzes. Quizzes are taken directly from homework assignments and are a way to ensure homework is being completed. **You may rewrite one test per term.** This will be near the end of term.

EXPECTATIONS:

1. Students are expected to attend class regularly, be punctual, and have all necessary equipment.
2. All electronic devices are to be turned off during instructional time. This includes cell phones, ipods, mp3s etc. They are NOT to be used as calculators on quizzes or tests.
3. ALL work missed because of absences must be completed.
4. If students are required to leave class early for an appointment, a note must be provided or a phone call to the office is required.

EXTRA HELP

Students who are absent or require extra help on difficult topics MUST get the extra help they require to keep up. Help is available during class time, before school each day and Mondays and Wednesdays at lunch.
